INTRODUCING OUR EXPERTS

Our team has been carefully selected over the decades and has hundreds of years-worth of experience working on single wide Presses. We know and understand all of the original factory specs for Goss Community and Urbanite type of Presses. Nobody else even comes close to our quality standards. We have a simple business model that implements a small menu, morals, ethics and credibility resulting in long term successful customers. We are a fully staffed Equipment and Service company that pays attention to detail.

Scott Johnson

Scott Johnson has been part of the imPRESSIONS team as a Service Technician for nearly 10 years. Effective immediately Scott is taking on new responsibilities and bolstering our presence in SE Asia by providing both Sales and Service from the Philippines where he will be stationed. Scott is a great communicator and has significant experience with Press installations, relocations, startup and commissioning, preventative maintenance, troubleshooting printing and folder problems and related field service work. Scott came up through the ranks starting as a jogger, paper roll handler, mailroom supervisor, 2nd pressman and head pressman with experience on Goss coldset and heatset Presses. He has decades of experience as a Field Service Technician. We are fortunate to have true professionals like Scott on our team. "I love the upper management culture and goals being the same as mine, totally focused on customer satisfaction"
