NEW ENGLAND NEWSPAPER INK ON PAPER VISION MAINTAINED

(Burlington, WA, August 23, 2021) – New England Newspapers, Inc., home of the Berkshire Eagle, has purchased a 32-page Goss SSC press for its Pittsfield, MA facility from imPRESSions Worldwide (iW). iW will remove the existing 30-year-old Goss Urbanite and install, commission and provide training on this full color, automated 2012 SSC Press.

The press will produce 32-page all color tabloid newspapers and with three-wide assembly has the capabilities of producing 24-page broadsheet newspaper. In addition to running off newspaper dailies, the SSC press offers semi-commercial print fire power, allowing the company to expand its print capacity.

“This short cut-off, high quality Press is a perfect solution that will lead to success for our customer,” says imPRESSions Worldwide President, Tom Loesch. “As a privately owned local newspaper, the Berkshire Eagle is committed to keeping ink on paper with this major investment. And we are pleased to partner with them.”

For over 25 years, imPRESSions Worldwide has provided excellent value and quality as the premier company of second-hand single-wide newspaper and commercial presses and auxiliary equipment. imPRESSions’s team of experienced professionals has delivered on more than 1,600 press projects to over 50 countries. Operating from two U.S. facilities, imPRESSions offers a wide range of equipment and world-class services, including press removals and installations, equipment appraisals and liquidations, field service repairs, and press room upgrades. With global partners, Goss Graphic Systems China, DG press Services & Contiweb, imPRESSions is the most trusted source for superior quality equipment and customer service.
