## INTRODUCING OUR EXPERTS

Lindsay Butler

*Special Projects Manager*

Lindsay is our Special Projects Manager. She holds a Bachelor of Arts degree in Communications from the University of Arizona, with a minor in Business Administration. Lindsay works closely with Sales and Production staff in coordinating onsite details, logistics, marketing and resources for special projects. She works in collaboration with our project managers to put together and fine tune installation books for our customers that detail what they can expect during press installations. Along with being tasked to assemble installation books, she provides support to our administrative staff with travel and scheduling our team for jobs all over the country. She is skilled in working with tight timelines and focused on customer success.

*"I am excited for the opportunity to be a part of a team like imPRESSIONS Worldwide and learn about this constantly evolving industry."*

**O**ur team has been carefully selected over the decades and has hundreds of years worth of experience working on single wide presses. We know and understand all of the original factory specs for Goss Community and Urbanite type presses. Nobody else even comes close to our quality standards. We have a simple business model that implements a small menu, morals, ethics and credibility resulting in long-term successful customers. We are a fully staffed Equipment and Service company that pays attention to detail.
