## INTRODUCING OUR EXPERTS

### Michael Judy Production Manager

Michael has been with imPRESSIONS since 2014. With a Bachelor of Science degree in Mechanical Engineering from Central Washington University, Michael plans, organizes, and controls production to ensure that projects are executed efficiently, on time and to quality standards.

He is a master with CAD drawings and 3D programs. He has the flexibility to work on projects such as removals, installations and in-house rebuilds. He is also an experienced welder in our manual machine shop at our headquarters.

*"Each day has a new obstacle which we must hurdle over and learn from. This has given us a great ability to address and resolve problems quickly."*

**O**ur team has been carefully selected over the decades and has hundreds of years worth of experience working on single wide presses. We know and understand all of the original factory specs for Goss Community and Urbanite type presses. Nobody else even comes close to our quality standards. We have a simple business model that implements a small menu, morals, ethics and credibility resulting in long-term successful customers. We are a fully staffed Equipment and Service company that pays attention to detail.
